DEDICATION

19 86

THE 1986 YEARBOOK COMMITTEE DEDICATES THIS YEARBOOK TO THE MEMORY OF JOSEPH SALENIUS.

Joe would have been graduating with us this year if it were not for an unfortunate accident in February 1984. All who knew him remember and miss him deeply. This poem, written by his close friend David Barnes, is dedicated to Joe.

JOSEPH

I had a friend tall in height
and he was also very polite

He always wanted to help if he could
That's what made him so extra good

I think God gave him a soul with a very good seed
That's why he always wanted to do a good deed

Now he's gone and in heaven he'll stay
But I think how happy I'll be
when I see him again on my day.

— David Barnes

I want to give my warmest thanks to all of you at North Quincy High School for making my High School year in U.S.A. a fantastic one. I was nervous for a couple of *months* before I left Sweden, because I didn't know what the teachers and the students would be like. I had heard that Americans were nice people, but I never expected this! Thank you all for making my year in U.S.A. a memory for the rest of my life! TUSEN TACK!!!

We would like to thank our advisor, Mr. Ron LaQuaglia, for all of his help and support in the organization of the 1986 yearbook. Without his help, we never would have made it. Friends — Class of 86

Through the troubled times
and troubled years
You've been shoulders to cry on
and sympathetic ears
You've all been so close and easy
to talk to
Without "you guys" I don't know
what I'd do
Friends are special and mean
so much
They give memories nothing
can touch
The best times I've had, I've
had with my friends
I hope our friendships
never end
I hope I've said what I set
out to do
I love each and every one
of you
